# YOU'RE INVITED

## CLARKE MOSQUITO CONTROL AND DYNAMIC AVIATION

Invite you to take a **Tour of the  
Dynamic Aviation corporate complex and a FlightMaster  
aerial guidance system demonstration.\***

*\* Dependent upon aircraft availability.*

Wednesday, May 9, 2007

(Following the AMCA Washington Day Conference)

We will be providing transportation to the Dynamic Aviation headquarters in Bridgewater, VA. After a tour of the facility, we would like for you to be our guest for dinner.

---

If you are attending the AMCA Washington Day Conference, and are planning to attend the Dynamic Aviation Open House/Tour and Dinner, please make your travel plans accordingly.

---

*To RSVP or if you would like more information, please contact  
Pat Hallahan, Clarke Mosquito Control, at 630-671-3120 or  
email: [pathallahan@clarkemosquito.com](mailto:pathallahan@clarkemosquito.com)*

Unsurpassed capabilities, experience and compliance  
in aerial mosquito control services.
