

Mid-Atlantic Mosquito Control Association (MAMCA) Outstanding Graduate Student Award

MAMCA's Outstanding Graduate Student Award is presented by the association to recognize the accomplishments and contributions of a graduate student pursuing a degree relating to mosquito control or systematics, vector-borne disease, or related discipline that the Association deems appropriate. The award recipient must be a resident of one of MAMCA's eight member states or must be attending a school of higher learning in one of MAMCA's eight member states.

The award recipient will be an invited guest of the Association and will present their research project to the Association at the annual conference. MAMCA will provide limited compensation for hotel accommodations, costs associated with the annual meeting registration, and ground transportation expenses. A \$500.00 award will also be presented to the recipient at the annual conference. The funding for this award is made possible through the generous financial contributions of Adapco Inc, Summit Chemical and Univar USA. Individuals may nominate themselves and submissions must be postmarked no later than **December 20, 2008. Submit all applications to:**
